Facebook: www.facebook.com/PUCPInternationalDocentes
CONCEPT

The Falling Walls Foundation founded the Falling Walls Lab in 2011 to:

CONNECT aspiring innovators
DISCOVER and develop talents
SUPPORT interdisciplinary dialogue and international cooperation
DEVELOP new ways of scientific communication
BUILD new and strong networks

Falling Walls Lab is an international forum for the next generation of early-career innovators, trailblazers, creators, and visionaries. Falling Walls Lab Peru 2022 is the fourth edition of this competition in the region and the first edition with Peru. The winner of the Lab qualifies for the global Finale in Berlin on 9 November, 2022 and wins a ticket to attend the Falling Walls Conference, where he or she gets to interact with the world’s movers and shakers of science, business, and policymaking.

Dr. Reinhard Babel, Jury Chair
Director
German Academic Exchange Service (DAAD), Regional Office Bogotá

Reinhard holds a PhD in Comparative Literature from Ludwig-Maximilian-University Munich and has worked with the DAAD since 2006 in Colombia, Chile, and Germany. Before becoming the Director of the DAAD Regional Office in Bogotá he was in charge of DAAD cooperation projects with the Middle East, Asia, Africa and Latin America. He also has been the Director of the former DAAD Information Center in Bogota. As Director of the DAAD Regional Office Reinhard works closely with higher education institutions, students and scientists from Peru, Colombia, Ecuador and Venezuela.

Katharina Wedler
Project Manager for the PASCH initiative “Schools: Partners for the Future” (Bolivia, Ecuador, Colombia, Peru, Venezuela), Advisor for German Language
Goethe Institute Lima, Peru

As part of her work at the Goethe Institute, Katharina supervises 20 schools in 5 countries. The PASCH initiative carries out projects with students, alumni and school administrators, offer scholarships for teachers and students and has the goal to motivate them to learn German. One of the main focuses is the alumni work to prepare students for studying in Germany. Katharina, who is originally from Germany, completed her Bachelor’s Degree in Australia and then moved to Latin America. Before working at the Goethe Institute, she gained work experience in television, her expertise lies in Media Studies, theatre, languages, and culture.

Prof. Dr. iur. Tania Zúñiga Fernández
Scientific Ambassador in Peru for the DAAD
Professor at the Law School
Pontificia Universidad Católica del Perú

Tania holds a PhD (Doctor iuris) from Humboldt-Universität Berlin and got her Master of Laws degree from Ruprecht-Karls-Universität Heidelberg. She is also a former DAAD scholarship holder. She has held senior management and advisory positions in the Peruvian Public Administration and the Peruvian Parliament. Currently, she is a Professor at PUCP, her research areas are Administrative Law, Competition Law, Energy Law and Innovation.
Prof. Dr. Rolf Grieseler
Professor
Pontificia Universidad Católica del Perú

Rolf is an Engineer with a PhD in Materials Science and Engineering. He works as a visiting professor at the Pontificia Universidad Católica del Perú in Lima. Additionally, he is a long-term lecturer for the DAAD. Rolf works mainly in the field of nanomaterials and thin film materials for different purposes. One topic are multifunctional thin film materials for tribological applications. On the other hand, he works on 2D materials for biomedical sensing.

Jesús Ammon Mueras Saavedra
CEO
Iotomato

Jesús is an Electronic Engineer recognized in 2020 as innovator under 35 in LATAM by MIT technology review in the category of inventor. He is CEO of Iotomato, where he uses IoT to reduce electricity consumption and reduce the environmental footprint of businesses and individuals. He has experience in the industrial sector in the areas of industrial instrumentation, logistics and plant shutdown planning in the oil industry.

Karla Rosas
Country Director, Peru
HEINZ-GLAS Group

Karla is a Chemical Engineer from Universidad Nacional Mayor de San Marcos Peru. Her field of expertise is Strategy Development, Change and Project Management and Quality Control. She worked with Petroperu, Pamolsa and is now Country Director for Peru at Heinz-Glas Group, where she oversees the restructuring of projects, budgeting and expansion of business to Brazil. Karla is a member of the Management Board of the German-Peruvian Chamber of Commerce since 2020.

MODERATION

Gabriel Poémape Heredia
Actor and Coach

Gabriel is an engineer from PUCP. He turned his life around when he decided to be an actor. Gabriel is now working as actor, clown, comedian, and coach specialized in improv comedy. Trained by teachers from Perú, Colombia, Brazil and USA and with almost 10 years of experience as an improv actor and, as he likes to call himself, guru, he helps people and teams to boost their soft and communicative skills and achieve their goals. Gabriel gives workshops for clients like Alicorp, Roche, Heinz Glas and has worked as a host with the CIDE from PUCP in “Emprende PUCP” in 2020 and 2021.
