## ASPA- Asociación Antioqueña de Profesionales con Estudios en Alemania

- Location: Medellín, Antioquia, Colombia, South America
- > 53 active members from different professional backgrounds and occupations.
- Founding year: 1987
- The most extraordinary fact about our association/network: ASPA performs an effective social work in Antioquia and in Colombia taking into account the bicultural and professional competence of its members.

2

## Objectives and vision of ASPA

- To promote cultural, social and scientific exchange through interdisciplinary projects between ASPA members, partners and friends in Colombia and in Germany.
- To transfer knowledge between highly qualified professionals from academy and the industry and vice versa.
- To look for technical and financial support for the fields: research, innovation and knowledge transfer.
